VINTAGE

A relatively milde winter was followed by a dry March and a dry and warm April, and flowering set in somewhat earlier than usual. There were no long heatwaves in the summer. In spite of this, the head start in the vegetation cycle became shorter and shorter up to the harvest, and the first grapes were harvested at the beginning of September, with the last load reaching the winery on October 9.

VINIFICATION

Whole-cluster pressing of ripe and healthy grapes, natural must clarification, fermentation at a controlled temperature of 18-20 °C, 3-month ageing on the fine lees in stainless steel.

VINEYARD

Steep, sloping vineyards with southerly and easterly expositions between 300 and 450 meters above sea level. Loamy, chalky gravel, heat-retaining and well-drained soils

TASTING NOTES

- brilliant yellow
- fruit-dominated nose, with overtones of pineapple, banana and ripe pears
- full-bodied with a juicy, voluptuous character, ripe notes of fruit on the finish

RECOMMENDATION

Reinvigorate a grilled halibut or pair it with a crab salad, light seafood dishes seem to take on more flavour when paired with our Pinot Grigio.
